Pathana Shakthi

AI-Powered Learning for Every Student

BUILT TO GOVERNMENT BENCHMARKS

- NIPUN Bharat FLN goals
- NEP 2020 · FLN by Class 3
- SCERT Telangana textbooks
- Tholimettu Telugu norms

- **Read-Along with AI**
- **Improve Pronunciation**
- **Build Vocabulary**
- **Understand Better**
- **Quizzes & Activities**
- **Track Progress. Achieve More.**

HOW IT WORKS

1. **Open a lesson from your textbook**
2. **AI reads it first in an Indian voice**
3. **You read aloud**
4. **AI listens to every word**
5. **Instant feedback: right & to practise**
6. **Speed tracked vs NIPUN Bharat**

Maths is different: no reading aloud — every maths chapter becomes a direct test with worked answers, plus questions & answers.

For Students

Built to NIPUN Bharat, NEP 2020 & SCERT benchmarks

221B LABS

Pathana Shakthi

Built to government benchmarks

BUILT TO GOVERNMENT BENCHMARKS

Measured the way the system already measures.

Benchmark	What it asks	How Pathana Shakthi meets it
NIPUN Bharat	Every child reads with understanding and does basic maths by the end of Class 3 (2026-27)	Literacy and numeracy competencies tracked for every child from real work
NIPUN Bharat reading speed	Class 2: 45–60 words correct per minute · Class 3: 60	Timed oral reading in every chapter's reading check, scored against the norm
Tholimettu (Telangana)	Telugu reading speed: Class 1: 20 · Class 2: 25 words per minute	Telugu norms used for Telugu chapters
NEP 2020	Foundational learning in the mother tongue	Telugu, Hindi and English — read, heard and checked
SCERT Telangana	State textbooks and the end-of-lesson exercise pattern	Real textbooks uploaded; the workbook follows the SCERT sections
FLN assessment rounds	Baseline, midline and endline levels for every child	Registers pre-filled from the app; the teacher confirms

Follows public sources (NIPUN Bharat, Tholimettu, SCERT circulars). Not an official certification.

PARTNER WITH US

PRIMARY

State governments

FLN programmes under Samagra Shiksha, district by district.

₹150–300 / child / year

BRIDGE

CSR and foundations

Adopt-a-school and district programmes with measured reading gains.

₹40,000–75,000 / school / year

EXPANSION

Low-fee private schools

The same state textbooks and the same need, paid directly.

₹400–600 / child / year

Low cost to serve: one upload serves every class using that book, and every AI feature falls back to a no-AI version.
